

Deafness in Africa & Haiti

Are you curious about Deaf Education and teacher training in other countries? Their culture, their language, their day to day lives? Dr. Victor Vodounou, professor of Deaf education and missionary to the Deaf will give a presentation about his recent visits and work with the Deaf in Haiti, South Africa, and West Africa.

Friday, April 30, 2010
6:00-9:00 pm
Lone Star College-CyFair
Technology 102
9191 Barker Cypress Road
Cypress, Texas 77433

This event is *free* and open to the public!

Dr. Vodounou will be signing copies of his autobiography after the presentation.
